We rejoice that after war Peace reigns. Into the most titanic struggle of modern times, if not of all times, a struggle shaking civilization to its foundations, our country in the fear of God entered—entered that civilization be saved, with the door of hope held open to men and nations.

Today, we remember the splendid heroism of our soldier boys—and rejoice in it. From the peace and quiet and safety of the homeland they crossed the sea, bearing their breasts to shot and shell, as willing and noble sacrifice to bring a better day to all men.

While rejoicing in the splendid work done by our soldier boys on land and on sea, in their courage and devotion, in their glorious contribution for successful consummation of the war, we recognize with reverent seriousness that but for the favors of Divine Providence the results might likely have been otherwise.

We would remind our people generally of their constant need of help from on high, no less in time of peace than of war, and call upon them for renewed devotion to the God of the fathers who built this Republic—the God revealed to us in the Holy Scriptures and by His Son our Savior. And we can but look with grave concern and abhorrence upon a disposition already manifesting for turning the Armistice Day Anniversary into one of revelry and forgetfulness of God. This day, by every memory, by every token, by every sentiment, is a challenge and a call to get close to God in glad reconsecration.

With pride, we see our land lead in national council for disarmament—that today in our national capitol, under call and leadership of our President Harding, come picked men from the nations to sit down together in serious effort to reach good understanding to lift the staggering burdens of war's frightful budget—that nations shall need to learn war no more.

Resolved, Therefore by the North Alabama Conference, of the Methodist Episcopal Church, South, in session at Birmingham, Ala., Nov. 11, 1921:

1. That to the representatives of our government in the Conference on Limitation of National Armament, we send assurance of most hearty approval of the high purposes undertaken;

2. That we insist that our representatives heed the wide demand for real reduction of armament among the great powers and that they take high

ground therefor: that our country fail not now the world appeal for peace by agreement;

3. That through President Harding and Senator Underwood we transmit to our other representatives the sentiment and action of this body.

## REPORTS

### RESOLUTIONS

1. Alabama Methodism is to be counted happy in having Bishop Cannon and his estimable family as citizens in our midst, and residents of the city of Birmingham—to many of our people affording very pleasing fellowship, incident thereto.

We appreciate the able leadership of Bishop Cannon—his studious address, prodigious activity, sustained and tireless zeal of episcopal supervision and administration in general; and in particular, his splendid leadership in the Educational Campaign—especially within our own Conference. In appointments continuous, in travels extensive, in goings ceaseless, in labors marvelous,—he spoke in practically every section and neighborhood, with an entail to try the stamina of the stoutest. He counted not his life as dear unto himself, but gave himself with abandon to his task. His work was monumental, and will surely follow him, as it will in blessing abide to us.

2. Dr. R. F. Lovelady, as Chairman of the Committee on Conference Entertainment, brings us to renewed appreciation of his fine ability for happy handling of the large task and for his unsparing devotion in looking to the convenience and comfort of the Conference. He and his assistants have our warmest thanks.

3. To Dr. G. R. Stuart, pastor, and Brother J. D. Hunter, assistant pastor, of this great First Methodist Church, we express thanks and appreciation of their personal and official relation to the Conference, and for their fine courtesies accorded: through them we send to their excellent First Church people our thanks for their open doors to us.

To our brethren of all our Churches in this good city, we give thanks for the generous hospitality incident to our entertainment. May heaven's best blessings abide upon them ever.

4. We thank the Wales Adding Machine people for favors shown, and the daily papers of the city for the Conference reports carried in their columns.

**REPORT OF THE SUNDAY SCHOOL BOARD**

We feel that the recommendations made by the Board in its report to the last Annual Conference have been carried out and that the schools of the Conference have more nearly given their loyal support as a whole; that the Standard of Efficiency has been held up in all the schools as an attainment and that many of our schools have made marvelous advancement in both methods of teaching and in results for better teaching. We feel that the preachers have been, more than usually, loyal to the field workers.

The work of the Educational Movement has been the instrument of strengthening the individual schools by the means of a concerted action for one of the great causes of the church. The call for life service has been answered in many young lives being given wholly into the service of the Master through the various channels of the Church. The demand for greater opportunity for service comes to a large majority of our young people through the Sunday School and the need for a larger and better trained worker's program comes to this Board so often. This call has been met as best it could through Standard Training Schools, Elementary Workers' Councils, District, Group and Circuit Institutes, and individual touch of the field workers.

On account of the limited funds available, it has been necessary to limit the amount of this work, which is so necessary for the training of those who are responsible for the development of the young life of our church.

We are sure that the brethren as a whole appreciate the Sunday schools for what they really are, for the great work of bringing the young life into a personal knowledge of Jesus Christ, and training them up into His service

through the Church. If we are to accomplish this great purpose in a large measure we must broaden not only our vision of the possibilities, but we must make our plans for support in devotion, in labor, and in finances proportionately larger.

If we would only get away from that most unjust practice of using the Sunday School as a collecting agency for the Church assessments, and would exert the same energies towards building better training facilities both in the way of equipment and trained forces, we could expect marvelous advancement.

The Board is a unit in its conviction that more emphasis must be placed upon the District Organizations, both with reference to the District as a whole, and with reference to sub-divisions. We call upon the Presiding Elders to allow us to cooperate with them in the work of organizing, and getting these organizations to function properly in their several districts. We earnestly urge the Presiding Elders, pastors, superintendents and other Sunday School leaders to continue to lay the same great stress upon the proper observance of Sunday School Day; believing that with a return to normalcy we can easily double our receipts from this source. Children's Week has become a permanent policy of our General Sunday School Board. We rejoice in the success of this movement during the past year and we call upon our people to co-operate in this movement to the utmost of their ability, believing that such earnest co-operation will result in much good to the cause of Christ and his church. Since Children's Week will come just following Sunday School Day we trust that these two occasions may come to be associated together in the minds and hearts of all our people.

We endorse the work of Rev. W. M. McDonald as Field Secretary and recommend that Bishop Cannon appoint him to that work for the next year. We heartily commend the work of Mrs. M. M. Hughes, as Conference Elementary Superintendent, for the past year.

The Board realizes fully that it cannot expect even adequate funds for the development of the great work under its care, but it is encouraging to think that the brethren realize the vital importance of the Sunday School Work, and we ask you in your planning for the next year to plan larger and better things for your schools; increase your libraries; use ample supplies of literature that will give your workers a broader vision, improve and enlarge your equipment, be more faithful in the holding of the Workers' Council, send more of your workers to the Training School at Junaluska, and the Training Schools held within our own Conference, strengthen the teaching force, pray more earnestly, and be more faithful to the reading of the Word.

(Signed) J. B. WADSWORTH, Chairman.  
H. G. STOKES, Secretary.

#### REPORT OF AGENT OF SUPERANNUATE HOMES.

To the Bishop and Members of the North Alabama Conference.

Dear Brethren:

We are happy to state that under all the circumstances, we have had a successful year in our effort to provide Homes for the Superannuated preachers, and widows and orphans of deceased preachers.

Your Executive Committee has purchased a good Home at West End, in Birmingham District, Mr. A. J. Ozanne a good layman, by a donation of \$500.00 on the purchase price, made it possible for the committee to buy the property. The Home is occupied by Rev. J. L. Brittain, D. D., and his good wife.

It will be known as the Ruth Brittain Superannuate Home, in honor of Brother Brittain's precious daughter, who has dedicated her life to the work of Foreign Missions in China.

We are glad to announce that the Woman's Missionary Society at Tusculumbia, Florence District, has pledged \$500.00 to be used in repairs, furnishing, and other work necessary on the Mary Palmer Memorial Superannuate

Home at that place. By arrangement of the Executive Committee, that Home will be occupied by Rev. G. W. Alley.

The daughters of Brother and Sister O'Neal, deceased, have moved to Birmingham, which leaves our Home at Roanoke, in Roanoke District, to be occupied by another claimant. Mrs. T. B. Middlebrooks has removed from Ragland, in Talladega District, and the Lila Katheryn Brown Home at that place will be occupied by Rev. J. T. Black and family. The Home at Pell City will be occupied by Rev. B. M. Bellinger.

The Z. H. and Louiza Clardy Home at Talladega, in the Talladega District, by arrangement of the Executive Committee is occupied by Rev. F. A. Vann and wife.

Our T. T. Hillman Home at Ensley, in Bessemer District, is being repaired, and by arrangement of the Executive Committee will be occupied by Sister L. M. Brooks and her daughter. We understand that Sister Brooks' daughter has volunteered for some special life's service from First Church.

Rev. W. R. Eddins, another Superannuate preacher, and family, by arrangement of the Executive Committee will occupy the Lydia Pettyjohn Home at Powderly in the Bessemer District.

We appreciate the fact that the Sunday Schools of the Conference collected \$826.25 for Superannuate Homes in honor of Mothers' Day. We respectfully recommend that Mothers Day be continued as the special Sunday for the Sunday Schools of the Conference as far as practicable to make voluntary offerings for Superannuate Homes.

The Executive Committee thought it wise to sell the Sam Turner Home at Cottdale and reinvest the funds in other Homes. We recommend also the sale of our J. W. Koker Home at Cedar Bluff, and reinvestment of the funds in other Homes.

Mrs. T. B. McCain and Mrs. D. L. Parrish, two consecrated widows of deceased preachers, have been called to their reward. Rev. W. T. Andrews, full of years, rich in experience and strong in faith, also Rev. L. F. Parrish, one of our most gifted and consecrated preachers, have gone to that "city which hath foundation whose builder and maker is God."

We have eighty-five Conference claimants on our roll and this great movement has at different times assisted fifty families with Homes just at the time they needed it most.

We have forty Superannuate Homes in the Conference. It is the policy of the Board of Trustees to keep the property insured and premiums paid to date.

Our cash receipts aggregate \$8,668.75. The Malinda Rowe and Martha Rowe Watkins Superannuate Homes Endowment Fund of \$1,000.00 is in good hands and bears 8% interest. We hold also one Fourth Liberty Loan Government Bond of \$500.00 by N. M. Rowe for the above fund.

Your Executive Committee thinks a very reasonable estimate of the approximate value of our Homes is \$128,000.00.

Rev. T. K. Roberts, assisted by his good pastor, Brother Neal, and other friends made \$500.00 repairs on the Home occupied by him and his good wife and mother at Columbiana, Sylacauga District.

Rev. J. J. Crow has made \$72.00 repairs on the Home at Bessemer.

Mrs. L. E. Timmons has spent \$150.00 on the Sunshine Home at Gadsden. Mrs. J. D. Ellis \$110.00 on the Ellis Memorial at Avondale. Rev. A. J. Chappell \$75.00 on Home at Powderly. Mrs. J. T. Rudisill \$60.00 on the Nicholson Home at Owenton. Mr. R. S. Munger about \$80.00 on the Munger Home occupied by Mrs. E. W. Jones at Owenton. Rev. J. W. Syler reports \$30.00 on the Home at Gurley. Rev. J. T. Morris, D. D., reports about \$30.00 on the Morris-Letsinger Home at Woodlawn. Rev. E. D. Emerson reports about \$67.00 on the Dr. Tarrant and wife Home at North Birmingham.

We rejoice in the fact that this great cause is spreading into other conferences at home and in the foreign lands. In a private conversation with the sainted Bishop Lambuth, D. D., a few months ago, he informed your Agent, that he had a good man in mind whom he thought he could influence to build six homes in Korea. A letter received from the Bishop last June stated that he thought he would give the first Home himself. We ask, as a matter of history, that his kind letter be an appendix to my report, as follows:

Oakdale, Calif., June 2, 1921.

Rev. J. W. Norton,  
500 Fulton Ave., West End,  
Birmingham, Ala.

Dear Brother Norton:

Your favor of May 26th received with many thanks. It is very kind in you to do this, and I hope it will enable me to make a start at the coming Conference in Korea.

In fact I think I will give the first home myself. It does cost more than \$500, and will thus care for one of our heroic native preachers who has organized over twenty churches, and has wrought a great work for Methodism.

Wishing you continued blessing in your noble enterprise,

I remain yours cordially,

W. R. LAMBUTH.

We ask special interest in the prayers of all our people for this worthy cause.

Respectfully submitted,

J. W. NORTON, Agent.

### BIBLE CAUSE

For more than a hundred years the American Bible Society has labored with a single eye to supply mankind with the Word of God. Its work was

of necessity on a small scale at first. Its first office building was a room seven by nine feet square in the city of New York. It now has nine main printing centers in different parts of the world. It is now distributing the Word of God in five continents and in numerous islands of the Seven Seas. It is doing its work through nine home and eleven foreign agencies. Its annual issue now exceeds six million copies of the Bible and parts of the Bible. It never sells the Bible for profit, generally for much less than cost, especially in fields of Protestant Missionary activity; always giving a copy to those unable to pay for it. Its work is limited only by its financial resources. Its source of income is gifts and donations from individuals and contributions from churches. It is now offering its friends who have money an opportunity to make an investment in its work in the form of an annuity. This is a fine opportunity for those who have money and need the interest on it while they are living and wish for it to go to some good cause at their death. There was never a time when the work of the American Bible Society was needed more than just now when there is a universal desire for the Word of God, and when all Protestant Christian Churches are enlarging their Missionary activities. Without its help we cannot do our work. We heartily recommend it to all lovers of God and humanity for their most loyal moral and financial support.

GEO. C. DOBBS, Chairman.  
S. E. MAPLES, Secretary.

#### REPORT OF THE BOARD OF LAY ACTIVITIES

Resolved, First—That we, the laymen of the North Alabama Conference assembled, wish to express our loyalty to, and our faith in our Church, and pledge our continued support to its institutions and its policies. We rejoice in the measure of success that the Church has achieved, are proud of its history and anxious for its future. We pray for the continuance of God's favor upon us as a Church.

We are concerned for the ministers who bear the burden of the Church, performing their duties faithfully, oftentimes under great difficulty. We deplore the fact that the average pastor's salary is inadequate for the support of his family, also, we deplore the condition that makes it impossible for many charges to obtain the services of a minister at all while many other churches have services only once a month. That these conditions so far as possible may be relieved, we urge that consecrated laymen all over the conference volunteer their services to the presiding elders to conduct religious services on our rural charges in the absence of the pastors, and we further urge that Christian Education be fostered to the end that our Church may be amply supplied with competent ministers.

Second—In considering the matter of the collection of the Centenary pledge, we direct the attention of the Centenary Commission to the lack of an adequate system in providing a sure and effective agency in each Church that is responsible for these collections and do not wait until the last minute of the time allotted to meet this obligation but rather where desirable, divide the payments through the year which we believe will make for larger results. We believe that in churches where there are a large number of pledges to be collected it would pay the Commission to employ a collector on a small percentage basis to look after the collections. We also recommend that the Commission allow whatever agency is used a reasonable amount for stationery, printing and postage necessary for the work.

Third—We endorse the annual report of our Field Secretary, Z. E. Bellah, which we make a part of this report. We heartily approve the work of our Field Secretary and believe that he has laid the foundation for a great work in our Conference. In our judgment the Conference could ill afford to dispense with the services of the Field Secretary, no matter what the cost, but are rejoiced to report that it is possible to continue the work the coming year without the expense of the Secretary's salary.

We Recommend, First—That the organization of lay activities be extended to every church in the Conference as early as possible by the operation of the plan of organization.

Second—That the budget system, every-member canvass and the weekly and monthly plan of collecting the Church's revenue be adopted by every church in the Conference, wherever practicable, provided it does not affect ministerial support.

Third—That the laymen participate in the weekly prayer meeting and conduct the service when called upon by the pastor. In order that they may be prepared to conduct prayer meeting service, we recommend that laymen use "The Prayer Meeting" edited by Dr. P. L. Cobb, of the Spiritual Resource Department, Nashville, especially prepared for laymen.

We nominate W. M. Hagood, for re-election as Conference Lay Leader, and Z. E. Bellah, for Field Secretary, without compensation, for the coming year.

BOARD OF LAY ACTIVITIES,  
By W. W. BRANDON.

### REPORT OF Z. E. BELLAH, CONFERENCE FIELD SECRETARY, LAYMEN'S MISSIONARY MOVEMENT

#### "Set-Up" Meetings

I attended all the Centenary and Christian Education meetings, except one, during the month of January and made known to the pastors and laymen our plans for the year and secured their co-operation.

A "Set-Up" meeting was held in each of the thirteen presiding elder's districts.

#### District Conference

I attended all district conferences. I mailed to each pastor and charge lay leader a copy of the "Plan of Organization for the Board of Lay Activities" and followed this up with a personal visit to as many churches as possible and assisted in the organization of Board of Lay Activities. There are now, so far as I have been able to determine, approximately two hundred boards of Lay Activity in the Conference.

#### Lectures

I have delivered during the year a Stewardship lecture to sixty congregations. I gave myself over to the Christian Education Committee the last three weeks of the campaign and was active in the field during that time. At every church visited during the year I looked after the interest of the Centenary at each church.

I accepted an invitation of Presiding Elder S. T. Slaton of the Gadsden District to attend the Steward's Training School at Gadsden, week of September 12-17, and conducted a class each morning for forty minutes on Church finance, including the organization of the board of stewards, the adoption of the budget system, the weekly and monthly plan of raising the Church's revenue and the every member canvass.

#### Bureau of Lay Speakers

I have devoted a considerable portion of my time during the last few weeks organizing our laymen for the conducting of religious services on our rural charges in the absence of the pastors. We have fifty-seven now enrolled and actively engaged in this sort of service.

#### Demonstration Circuits

I have borrowed from our publishing house in Nashville, samples of weekly and monthly envelopes, several samples of books for use of stewards in their organization, and am endeavoring with the use of these samples to get the stewards to adopt the weekly and monthly plan of collecting the

Church's revenue, the budget system and every member canvass wherever I go. I would suggest that arrangements be made with the Mission Board to finance this organization by extending a loan until our collection comes in, and thus stop the leakage that comes from paying interest on money borrowed at the bank. Every dollar of the appropriation is very much needed in our work.

#### Miscellaneous

Many minor, yet vital matters in the interest of the movement have been attended to, that are too numerous to mention. I have devoted my entire time during the year to the Laymen's Missionary Movement, and while the accomplishments would seem almost invisible, it is believed that really some good has been accomplished and a very fine foundation has been laid for greater accomplishments in the future. I traveled nine thousand miles during the year. More secretaries are needed to accomplish the work that ought to be done now.

Respectfully submitted,

Z. E. BELLAH, Lay Secretary.

#### REPORT NO. 1 OF BOARD OF CHRISTIAN LITERATURE

The Board of Christian Literature respectfully submits the following report. Realizing as we do the prevalence of error in the world and that the printed page is one of the most effective means for the propagation of truth, we urge a wider circulation of literature produced by our church.

##### The Quarterly Review

We deeply appreciate the message and the spirit of Dr. Rowe, Editor of the Quarterly Review, and most heartily recommend that this annual Conference assist him in his plans to increase the circulation from two to ten thousand. We are glad to report that one member of our Board offers to pay one-half of the subscription price for all under-graduates.

We also commend the Missionary Voice and Epworth Era to our people.

##### Christian Advocate

We rejoice in the increasing circulation of our general organ, also to note the improvement in the dress, arrangement and contents of the paper. We urge our preachers to put forth greater efforts to increase the circulation of this important organ of our church.

##### Alabama Christian Advocate

We rejoice that the Christian Advocate has reached the circulation of 28,000, and is proving a great blessing to all who read it, and we recommend that we place as the goal for our new year a circulation of 35,000. We suggest as far as practicable that the Advocate be put in the church budget, also that April, from the 3rd to the 10th, be designated as Advocate week. At this time the pastors, assisted by committees, shall endeavor to put the Advocate into all the homes of our people. Out of the funds assessed for Christian Literature, we appropriate an amount equal to 1% of that paid for the support of the ministry to the support of the Alabama Christian Advocate. We appreciate very much the good work of Dr. L. C. Branscomb, business manager and editor, who has served the paper so faithfully and well without any compensation whatever save that of his house rent. We recommend that the Bishop reappoint Dr. L. C. Branscomb editor and business manager for another year.

R. H. JONES, Chairman.

N. H. ABERNETHY, Secretary.

## BOARD ON TEMPERANCE AND SOCIAL SERVICE

We your Committee on Temperance and Social Service beg leave to make the following report:

In view of the unrest with reference to social, political and general moral conditions about us we realize that there is much to be done. We therefore submit the following resolutions for your adoption:

First—That in view of the relations now existing between the white and colored races, we express our conviction that the Church should seriously set herself to the task of aiding in the solution of these problems by the application of Christian principles.

That we ask our pastors to lay this matter on the conscience of our people to the end that our relations with the colored people be characterized by patience, justice and Christian charity.

That we pledge our pastors to co-operation with the inter-racial commission and ask our pastors and our people to co-operate in the formation of local groups which shall endeavor to establish better relations between the races.

That we request the Board of Missions, the Sunday School Board and the Epworth League Board to include this subject in their programs for conferences, institutes and study classes.

That we request these boards to co-operate with this commission in calling together groups of leaders among ministers and laymen for conference on the subject of inter-relations.

Second—That we respectfully and earnestly request the Senate of the Congress of the United States and especially our senators, representing the State of Alabama therein, to adopt the conference report on the anti-beer bill now pending and avert from the people of the nation the threatened inundation by so-called medicinal beers and wines, to the end that the Eighteenth Amendment to the Federal Constitution may be henceforth enforced in the spirit and letter as understood by the people of the forty-five states that ratified it and made it a part of the fundamental law of the union.

And that this resolution be forwarded to our representatives in the House and in the Senate.

JAS. R. DUNCAN, Chairman.

W. H. MANSFIELD, Secretary.

### SABBATH OBSERVANCE

We believe that the keeping of the Sabbath as God commands is necessary for the safety, happiness and prosperity of our people; and we deplore the general desecration of this holy day.

We urge all our members, citizens and public officials to do their best to stop all commercializing of the Sabbath. We request all our pastors to preach some time during the year on Sabbath observance, and to try to develop a spirit of better observance of the day.

If we allow the Sabbath to be destroyed, our Christian civilization will fail. We cannot afford to allow the enemy to take away from us this stronghold. Those who do not like our American Christian Sabbath, and want to substitute the Continental holiday, can go back to the continent; but we want the Sabbath of the Lord our God.

We regret that the recent legislature did not see fit to enact into law the recommendations of his excellency, Governor Kilby. These proposed laws were not oppressive or 'puritanic' but were designed to protect the Day of the Lord. We hope the time will come when those who make our laws will have a due regard to the Sacredness of the Holy Sabbath. We also regret that the proposed law of censorship of the "movies" was not adopted.

Respectfully submitted,

W. B. HOPE, Chairman.

W. M. TREADAWAY, Secretary.

### REPORT NO. 1 EPWORTH LEAGUE BOARD

Your Epworth League Board rejoices in their ability to report the greatest progress and gains along all lines that the Epworth League has ever had in any one year. This in the face of the general depression which has

confronted us is indeed cause for profound gratitude. The efficient leadership of our Executive Secretary has largely made possible our continued progress. We are glad to note from his report a greater degree of co-operation from the presiding elders, pastors and laymen than has ever been given to this work in the past. Believing this to be a very vital department of our work, we feel that it justifies even more of our co-operation and effort.

We most heartily commend the young people and congratulate them upon their remarkable success, and in accord with their request your board has directly taken over the League work which gives promise of more perfectly relating our young people to all the work of the Church.

We respectfully recommend to the Bishop and his Cabinet Rev. Wm Graham Echols for reappointment as Executive Secretary.

R. E. TYLER, President.

FOREST R. MAPES, Secretary.

#### REPORT NO. 2 EPWORTH LEAGUE BOARD

Your Epworth League Board rejoices that our Executive Secretary reports 140 new chapters, 163 pastoral charges in which there are leagues, an average of 3,422 leaguers who stay for preaching services every Sunday night, \$2,105.23 paid to the Africa Special and a grand total reported raised by our leagues of \$17,736.73 for the year. The largest and best assembly in our history was held last June, nearly 800 people in attendance. There were 13 district institutes held, three city unions organized and a general spirit of optimism and co-operation which pervades our whole conference.

Our treasurer received from the Conference treasurer on the assessment \$1,629.15. This enables us to begin the new year with a deficit of only \$396.79 which is by considerable smaller than our deficit at the beginning of last year.

Respectfully,

R. E. TYLER, President.

FOREST R. MAPES, Secretary.

The Board of Missions of North Alabama Conference respectfully request the presiding Bishop to make the following appointments:

J. A. J. Brock, Conference Missionary Secretary.

R. M. Phifer, Conference Missionary Evangelist.

A. J. Notestine, Conference Evangelist. Two months of his time to be given to work in his own annual conference.

JAS. D. HUNTER, Secretary.

---

**REPORT NO. 3 OF THE BOARD OF MISSIONS**

The appeal that was made by the Presiding Elders to the Board of Missions for the disadvantaged sections of our Conference for support for pastors who are living on a mere salary of existence, was enough to break the heart of any of us but on account of the great shortage of funds we were unable to meet the need of these fields. We are asking the pastors and laymen throughout our Conference to make special effort this next year to make collections more nearly in full than heretofore in order that we may give our men in these fields a living wage.

The Board gives notice of a change in its policy in regard to the payment of the appropriations to Mission pastors beginning with the session of next Conference. It has been our custom to pay the drafts at the beginning of the year but hereafter the drafts will be paid at the end of each quarter on the presentation of the reports of the mission pastors.

**Armenian Relief**

We have been deeply stirred by the address of Major General Asgapetian concerning conditions in stricken Armenia. We record an expression of our profound sympathy and earnest prayers in behalf of our Christian brethren of that land. We urge upon our pastors cordial support of the efforts of the American Committee for Armenian Relief, and upon our people the largest possible liberality in response to the appeals made by this Committee. We recommend that this Conference petition the representatives of all the nations now in session in Washington to use every effort to have justice done to this persecuted people.

**Preachers' Institute**

The Committee appointed to arrange programs for the Preachers' Institutes at a recent meeting considered a proposition from the Home Department of the Board of Missions looking to the merging of the institute of 1922 with a school for rural pastors. This proposed school would be held at Birmingham-Southern College, and would draw its attendance from several adjacent conferences. The Committee is already assured of the cordial support of the enterprise by the authorities of Birmingham-Southern College. The Committee has reported to this Board commending the plan proposed, and the Board has given unanimous endorsement to the Committee's recommendations.

The Home Department of the General Board will provide the best available lecturers and teachers, and the afternoon hours will be given to study and examinations on the course of study for under-graduates just as has been the custom heretofore. We urge the cordial support of the Conference in order that this school may serve this territory in the largest possible way. The expense to the Board of Missions will be less than the cost of the institutes held heretofore.

**REPORT NO. 4 BOARD OF MISSIONS**

For 31 years Rev. S. L. Dobbs, D. D., has served this Board continuously as Treasurer. He has been so thorough and efficient in his work that there has been no time in all his long service that his accounts have not tallied correctly with the records of the General Board. Thirty-one years without error! Few men indeed have rendered such service to the church. It has been a labor of love cheerfully rendered.

Dr. Dobbs has been a strong factor in the development of our missionary resources from a meager beginning to the present point. His handling of the money of the Board has been marked by rare judgment and ability. Many times he has carried our responsibilities, enabling the Board to meet promptly its obligations to the mission pastors. He has neither received nor desired any compensation.

One year ago he asked to be relieved, but yielded to our insistence that he continue through the Conference year. We have reluctantly accepted his resignation at this time. The Board by resolution would express its appreciation of the service rendered the North Alabama Conference by Dr. Dobbs. It is our hope and prayer that God may prolong his days that he may continue to serve the Church of his love.

The loss of the service of Dr. Dobbs would be even more serious but for the fact that Mr. R. O. Noojin, one of our loyal and efficient laymen, has consented to serve as Treasurer of the Board. We pray the blessings of God upon the faithful servant of the years and upon his successor in office.

JAS. D. HUNTER, Secretary.

**REPORT NO. 1 OF BOARD OF EDUCATION**

We, the Board of Education of North Alabama Conference, have had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary, and respectfully offer the following recommendations:

First—We are gratified at the splendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people participating.

Second—We desire to emphasize that the campaign is not closed and must not be until the entire quota for this Conference is raised. If our institutions needed \$33,000,000 a year ago, the Movement has multiplied that need by awakening in our people a desire for Christian education. The schools of the Church last year turned away 5,000 for lack of facilities; they probably have lost much more heavily this year for the same reason. We are, therefore, in the midst of an incompleting task. Every charge in Methodism has been assigned a definite part in a great co-operative effort of the Church to solve its educational problem, and it is hereby declared to be the policy of the North Alabama Conference to regard the quotas assigned heretofore as the goal to be reached by each charge and district.

Third—That the Presiding Elders in the first round of Quarterly Conferences in answer to the question "What is being done for Christian education?" secure accurate reports from pastors and church collectors or directors concerning the quota and the amounts already subscribed, and concerning the general economic condition in each charge. We further recommend that wherever practicable arrangements be made to finish the every-member canvass in churches which have not raised their quotas. The full amount of each quota should be subscribed if possible before the General Conference of 1922.

Fourth—That we urge our people to pay promptly their educational subscriptions when they fall due, that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall

due November 1st, we fix the first week in November as Pay-Up-Week. The schools and colleges of our Conference are sorely in need of money, and as a means of relief the co-operation of pastor, presiding elder, and people is urged in an effort to secure the prompt payment of pledges.

Fifth—That if Church Collectors in any charge or charges have not been appointed, they should be elected at the first Quarterly Conference of the ensuing year.

Sixth—That where the original pledge cards have not been sent to the Educational Secretary the pastor arrange to have them sent to him at an early date.

Seventh—That S. L. Dobbs be appointed as Conference Educational Secretary.

GEO. W. READ, Secretary.

#### REPORT NO. 2 OF BOARD OF EDUCATION

The Board of Education is pleased to report that all our schools are in prosperous condition and enjoying the impetus given them by the Education Movement. Inasmuch as the subscriptions secured for them have not yet been realized, we recommend the assessments of last year be continued; and that each of the institutions be recommended to the General Board of Education for the same classification now had.

We are pleased at the growth in usefulness of the Flat Rock High School, and recommend it to the liberality of our people.

During the year a new school enterprise known as the Northwest Alabama High School has been established at Hackelburg. It has an enrollment already of eighty-four pupils. We recommend it to the General Board of Education for such assistance as that Board may be able to give it; and at the request of those in charge of it, that, where practicable, congregations so minded make contributions thereto during the month of February, 1922.

The Educational Loan Fund of the Conference is a valuable aid to students who, without its help, would be denied the advantages of an education in our schools.

During the year a very successful institute was held at Birmingham-Southern College, which was largely attended by the under-graduates of the Conference who took advantage of the opportunities there afforded for their Conference courses of study.

We desire to go on record as appreciating in the heartiest manner the work of Dr. L. C. Branscomb, who in a most trying period of time wrought so faithfully and efficiently in behalf of the Christian Education Movement as Conference Secretary of Education. We part with him in that capacity with regret.

We recommend election of the following trustees:

For Athens College—G. W. Read, E. M. Glenn, R. H. Richardson, P. S. Halley to succeed themselves; Thomas Sanders to succeed W. T. Sanders, deceased; C. W. Sarver to succeed T. M. Hobbs, deceased.

Birmingham-Southern College—F. W. Brandon, W. H. Stockham, W. E. Morris and J. L. Gunter to succeed themselves.

Woman's College—J. S. Robertson and J. A. Vann to succeed themselves.

We recommend the following appointments: R. M. Hawkins, Professor Birmingham-Southern College; B. B. Glasgow, President Athens College; M. L. Smith, Professor Woman's College; L. G. Alverson, Principal Northwest Alabama High School; W. W. Rutland, Professor Northwest Alabama High School; H. C. Howard, Professor Emory University; W. F. Melton, Professor Emory University; J. Fred Sparks, Student Emory University.

From the Conference Treasurer we have received \$14,365.72. Of this amount Birmingham-Southern College will receive \$6,162.00; Athens College, \$5,430.00; Woman's College, \$2,715.00; Board Expense, \$58.72.

GEO. W. READ, Secretary.

### REPORT OF THE BOARD OF CHURCH EXTENSION

The Board of Church Extension regrets to report to the Conference that this year of financial depression and unrest has caused a shortage in the collection on Church Extension of \$2,500. The amounts asked for this year are larger than for several years, yet we find ourselves so handicapped that we are not able to meet even half of these requests. We insist that our presiding elders and pastors see to it that the assessment on Church Extension be raised everywhere possible. No greater need is on the church today.

We advise our people everywhere to use as far as possible architectural plans of the Board. By writing to the Board at Louisville, Ky., they will send you their book of plans for churches and parsonages free of charge.

We insist that our pastors and presiding elders urge the people to ask for loans and not for a donation, unless in extreme cases. We have at this session of the Conference more donations asked for than we have in quite a while, and some of the largest amounts asked for were from places that do not need a donation.

We have now in our loan fund between \$14,000 and \$15,000. While eight years ago we had none. May God put it into the heart of some one of means to give us a donation to this fund that will be a living monument to him or her, that will go on blessing the world when they have been translated to the Church Triumphant.

W. O. HORTON, Chairman.

This Board asks that Friday night of the next session of the North Alabama Conference be given to the Board of Finance for the presentation of the claims of Superannuate preachers, widows and orphans of deceased preachers.

At the request of the General Board of Finance that an assistant to the Secretary of Annual Conference be appointed to furnish information to the Secretary of the General Board of Finance concerning claimants, this Board nominates W. E. Aldridge.

We note, with pleasure, the work that is being done among our preachers and brethren by the Methodist Benevolent Association at Nashville, Tenn., and we commend it to the brethren with the hope that the young preachers will avail themselves of the opportunity it offers, to provide for themselves in disability and old age; and we recommend the appointment of W. E. Aldridge as the Field Representative of the Association.

(Signed) C. W. SEALE, President.

W. E. ALDRIDGE, Secretary.

#### REPORT OF CENTENARY COMMISSION

At a meeting of the Centenary Commission held in Birmingham November 12th, 1921, the following recommendations were made:

First—That the offices of Secretary and Treasurer be consolidated, and the Conference Missionary Secretary, Rev. J. A. J. Brock, be elected to the consolidated office.

Second—That the presiding elders and pastors with the Missionary Secretary begin at once to prepare for an aggressive campaign for collection of Centenary pledges. That the pastor, the Treasurer and the Church Committee of every Church co-operate in making a personal appeal for amounts due to date.

Third—We further recommend that this Annual Conference fix a week beginning Sunday, March 5th, to be known as "Pay Up Week," and that this week be regarded as the culmination of this period of collections.

Fourth—That Presiding Elders be urged to arrange their dates for District Stewards' Meetings, Missionary Institutes and other wide gatherings so that the Conference Secretary may attend and secure the greatest possible co-operation from these district groups.

Fifth—At district group meetings we recommend that the presiding elder and secretary appoint representatives whose duty it will be to visit every church in each pastoral charge at a regular service of the church for the purpose of explaining the importance of the collection, the methods of making it, and for securing the necessary organization to carry out the plan in the local church.

#### REPORT OF BOARD OF DIRECTORS OF ALABAMA METHODIST ORPHANAGE

The past year has been one of great blessing to the Orphanage, in that we have had no really serious illness in the home and no deaths. There are now 78 children in the home.

The income of the Orphanage has been cut short of last year by reason of the general depression.

We have received a gift on annuity from Mr. and Mrs. C. C. Smith of Russellville, Ala., of \$3,500.00.

The Rev. H. T. Strout requested that his name be not presented to the Board for re-election as superintendent and agent and Rev. Frank L. Aldridge was unanimously elected and we request his appointment by Bishop Cannon. We request that L. C. Branscomb be elected for a term of five years as a member of the Board of Directors.

J. H. WILSON, President.

#### REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

Your Committee has carefully examined all of our District Conference Records and find them well kept.

# Memoirs

REV. W. T. ANDREWS

Was born in Limestone County, Alabama, near the old Cambridge Camp Ground, six miles east of Athens, Alabama, September 28, 1838, and laid down his armor and passed to his reward June 18, 1921.

Between these two dates, covering a period of almost eighty-three years, was lived a life which was a blessing to the world, and genuine service to God and humanity, a life admired by those who knew him, and worthy of their emulation, and it might have been said by the fathers and mothers to their children, where he was pastor, follow him as he follows his Christ.

He was the son of David Andrews and his mother's maiden name was Elizabeth Ann Brown. His father died when he was about two years old, after which his mother moved to Giles County, Tenn., where he spent his childhood and part of his young manhood. He was licensed to preach at Elkton, Tenn., in 1856, and was married in November of the same year to Miss Eliza Catheren Stevenson, daughter of Rev. James C. and Margaret Stevenson. This union was blessed with a family of five sons and one daughter; three of the sons are ministers.

Brother Andrews was for fourteen years a local preacher, and was ordained deacon at Athens, Ala., by Bishop Early in 1861, and local elder at Gadsden, Ala., in 1870, by Bishop Paine, at which time he was admitted on trial into the North Alabama Conference at its first session.

He entered upon his career as an itinerant minister, not at a time when the Conference was composed of small charges and large salaries, but when most of the charges covered large areas of territory and the salaries were small, it took men of courage and grace to serve the church in those days, and especially where they had families to support and educate.

The charges he served were: 1871, Limestone Circuit; 1872-74, Scottsboro Circuit; 1875, Trianna Circuit; 1876, Madison Circuit; 1877-78, Town Creek Circuit; 1879-81, Scottsboro Circuit; 1882, Scottsboro Station; 1883-86, Florence Station; 1887-89, Gadsden District; 1890-93, Talladega Station; 1894-96, Huntsville District; 1897, Decatur Station; 1898-1900, Florence Station; 1901-04, Avondale Station; 1905, Roanoke Station; 1906-07, Fairview Station; at the Conference of 1907, held at Tuscaloosa, he was given the superannuate relation, which relation he sustained until he laid aside his armor and went to his reward, and, as had been the case in his active years, he was a blessing to the communities in which he lived, loved and honored by both pastor and people.

He was one of the best and most painstaking pastors of his Conference; a preacher whose sermons were inspiring and uplifting; as presiding elder, he was true to the delicate and important trusts committed to his care, loved and honored by pastors and people, and every pastor, as well as the charges, in his district could depend on it that in the matter of appointments he would do his best to have what he thought was right done by all parties, and no one ever, so far as I ever heard, accused him of playing "politics," but he always did what he thought was for the good of the Kingdom, and the building up of the church.

He was not only a good pastor, preacher and presiding elder, but he was also an author. His book, "A Waif A Prince," is a book well worth reading, entertaining and inspiring, it ought to be in every home, especially where there are young people. His other book, "Memorial Sketches," which was largely a labor of love, required a great deal of labor as well as tedious investigation, and is a credit to him and a blessing to his Conference.

Brother Andrews was a most lovable man, in fact, I doubt whether there was any man among us more universally beloved than he. It took no effort on your part to love him, his spirit was such that he drew you to him and you loved him because he was so lovable that you could not help it.

I cannot close this sketch without saying one thing more about his home life, for one of the most beautiful things in his noble character, was his tender and solicitous devotion to his wife, who was for so many years an invalid, no one could go into that home and watch him in his gentle tender ministries without being impressed, it was more than a mother ministering to her helpless babe—but it was just like W. T. Andrews.

J. C. PERSINGER.

### LOUIS FLETCHER PARRISH

Was born in Gwinnett County, Georgia, March 16, 1879, and died in Birmingham, Ala., Dec. 5, 1920. He was the son of Rev. David L. and Mrs. Cornelia Forrester Parrish. His father is affectionately remembered as an honored member for many years of the North Alabama Conference.

Fletcher Parrish, though Georgia born, was Alabama reared. In our midst he grew to manhood. The stamp of North Alabama Methodism was upon him. The imprimatur of our shaping, fitting and cultural institutions he bore; and honorably so. Soon after the birth-throes of the college at Owenton, and in the early struggling years of that institution, he matriculated and stayed to graduation. Of the augmenting company of splendid men coming from that college, he was the first graduate to enter conference. Other graduates there are, ahead of him in conference chronology: but they were preachers already and conference members while taking college course; others there are, who graduated ahead of him: but they entered conference after him. He was the first graduate of the "North Alabama Conference College" (later Birmingham College) to enter conference, to devote his splendid manhood to the itinerant ministry.

Today, much is heard of the "small college"—of the vast things it must undertake to do—things that perhaps may not be so well done by the more elaborate and larger college or university. In comparison, the Birmingham College of those years was indeed a small college—small in resource, small in equipment, small in chance, and maybe small in the men who gave it guidance and guarantee. But nonetheless it was large in vision, firm in faith, bold in hope, daring in venture, courageous in action, large in poverty, bold in the daring to undertake making brick without straw: BUT IT MADE THE BRICK. And the measure of such a man as Fletcher Parrish is justification of the stupendous task undertaken at Owenton. Out of the painfully cramped conditions of those earlier and harder years came Fletcher Parrish and men like him—men who will always stand as a challenge and a call to those more fortunate students who face more fortunate times, when all Alabama Methodism, united, crowns the sun-kissed Heights at Owenton with such splendid guarantee. Will the coming product pass the men of those days? Can they?

In school, Fletcher Parrish was not a prodigy. Perhaps he was a plodder. But he hung on, sometimes under stress; but he stayed, and hit the line faithfully till graduation. In his college days, he was a good mixer. He played the game—played fair and square. The boys all loved him, for he loved them.

October 28, 1901, he was married to Miss Mollie Russell of Birmingham. He was still a student in college, in his senior year. The marriage was happy and helpful. Not only did the girl-wife not get in the way nor hinder: she became a positive inspiration and appeal to the best that was in her husband; and as a matter of fact, it was after marriage that Fletcher Parrish did by far his best work at school. And blessed inspiration she continued till he went to heaven.

April 5, 1902, Brother Parrish was granted license to preach by the Birmingham District Conference, Rev. J. D. Simpson, Presiding Elder. He graduated in June, 1902; and shortly thereafter, a vacancy occurring in the Athens Circuit, he was called by Presiding Elder J. C. Persinger to that charge. In November, 1902, at LaFayette, he was admitted on trial into the North Alabama Conference. In this conference, faithfully and well he served the following charges: Athens Circuit, 1902-4, 2 1-2 years; Hartselle Circuit, 1905-8, 4 years; Oxford Station, 1909-10, 2 years; 1911, Jonesboro;

Sylacauga, 1912-15, 4 years; Eleventh Avenue, Birmingham, 1916-19, 4 years; 17 1-2 years. He was ordained deacon by Bishop Wilson at Talladega, November, 1904; Elder by Bishop Hendrix at Gadsden, November, 1906.

Shortly after the Conference session, 1918, our brother fell a victim to the dread influenza epidemic, and tubercular trouble resulted. He stuck to his post as long as possible. During the year, 1919, it was deemed advisable for him to go West to seek restoration. He went; after some months, hoping that cure had been effected, he came home and wound up his term happily. But it was evident, he had come home prematurely. Accordingly, at the end of 1919, he was transferred to New Mexico Conference, and assigned pastoral work there. He was not able to hold up during the year. He was transferred back to North Alabama, November, 1920; and from our midst was transferred to the general assembly of the saints on high.

After Brother Parrish became a sick man his people at Eleventh Avenue stood to him with a beautiful devotion that knew no abatement, so far as possible, anticipating his every need, and of their means contributing with a liberality measured only by a place to apply it. We hear that it was the same way in the New Mexico Conference pastorate.

From the beginning of his ministry, Brother Parrish threw himself into his work with an earnestness and zeal and industry that saw neither waning nor flagging till his course was finished. He was a faithful pastor, a popular pastor. Genial and companionable was he, by nature and by grace. Much store he set by the communion of the saints, and carried good cheer into every circle of his pastoral relation. The older people were by him conjured to forget their cares and encumbrances; the young people became his partisans, because of the ardour of his interest in them; and those who in mid-life bear life's load found in him a safe counsellor, congenial friend, and inspiring co-worker. As a pastor, he wore well.

Our brother may have shared with Paul the feeling, "Woe is me if I preach not the gospel." Anyhow, joyous it was to him the privilege of preaching. Having himself found the gospel to be the power of God unto salvation through faith, unreservedly and gladly he gave himself to the ministry of the Word, that others might become partners in the priceless experience. He loved to preach. And his preaching was evangelistic—distinctly so; and fruitful. God honored his ministry, and many were brought into the kingdom.

Fletcher Parrish loved life, loved the opportunities given. Ere his promising manhood had reached its splendid noon, he is cut down. But he conquered, even as he fell. He rests well, for he lived well. And his works do follow him.

Surviving are the wife and four children: Ruth Elizabeth (Mrs. J. A. Duddy), Mildred Cornelia, Louis Fletcher and Frank Russell—and brothers and sisters, and friends numbered by his acquaintance. In Elmwood his mortal remains rest till the resurrection. In our hearts enshrined, our brother lives in blessed memory.

#### REV. JOHN D. SIMPSON

Rev. John D. Simpson was born at Bradford, Coosa County, Ala., April 22nd, 1858. His parents moved to Prattville, Ala., when he was about nine years of age. In Prattville he received his elementary and high school training. He gave his heart to God and joined the church when he was but a youth. In 1876 he was licensed to exhort. One year later he was given license to preach. A vacancy having occurred on the Clanton and Verbena charge during the year 1878, he was appointed by the presiding elder to preach to the people of that circuit until conference. It was at the conference of 1878 that he was admitted on trial into the Alabama Conference. He was appointed to the Rembert Hill work. That year, 1879, he was married to Miss Hortense Wilson of Mobile, Alabama. He also served in the Alabama Conference the Evergreen and Castleberry Charge. He was ordained Deacon by Bishop McTyeire at Pensacola, December, 1880. Two years later at Troy, Ala., he was ordained elder.

The minutes of the North Alabama Conference show that he was transferred to this Conference in 1883. He was given the Wesley Chapel and

Pratt Mines Charge which he served for two years. Pratt Mines then being made a station at the Conference of 1885 he was appointed to that work. His health having become impaired he gave up his charge in the summer of 1886 and undertook the management of Hamilton Hall, the dormitory of the Southern University. He also took a college course and at the commencement of 1887 received his degree. He returned to the pastorate in December, 1887, and was appointed to Avondale. In 1888 he was made presiding elder of the Decatur district, which he served two years. From 1890 to 1894 he was at Huntsville First Church. December, 1894, he was appointed to Tuscaloosa Station. Conference, 1895, he was appointed President of the Tuscaloosa Female College. He was presiding elder of Tuscaloosa district in 1898. November, 1898, he went to Decatur Station. December, 1900, he came to the Birmingham District. November, 1904, he was assigned to the Florence District. November, 1905, he was given Anniston First Church. December, 1909, he received Ensley First Church as his work. In May, 1910, Dr. McCoy having been made a Bishop, Dr. Simpson was called to the presidency of the Birmingham College and the Bishop at the Conference of that year appointed him to this arduous and responsible place. Here he remained until the Commencement of 1916 when he resigned. In the meantime he was twice called upon to carry a double burden. A vacancy occurring on the Birmingham District, in the summer of 1911, he served as presiding elder until Conference. Again at the Conference of 1915 he was given in connection with his work as president the pastorate of the Owenton Church. He went to Athens November, 1916. November, 1918, he came to Woodlawn First Church. June 18th, 1921, was his crowning day.

For several days he had been confined to his home with a lame foot. On Saturday morning he was asked to speak at the funeral service of Rev. W. T. Andrews, which was to be conducted Sunday afternoon at the Avondale Church, and promised to do so. His wife came into the city to get for him a slipper that he might wear with comfort at that service. While she insisted on staying until Mrs. Simpson returned, but as it was lunch hour Dr. Simpson urged the doctor to go to his meal, saying that he was feeling fine, and that his wife would be home in a few minutes, so the doctor left. Just a little later, when Sister Simpson entered the home, she found her beloved husband had ceased to breathe. All alone he had slipped away to be with his Lord. The funeral service was held at Woodlawn Methodist Church Monday afternoon, June 20th. Every seat in the large auditorium was taken. People stood in the aisles and about the doors as long as they could crowd into the house. L. C. Branscomb, assisted by Dr. Robert Echols, had charge of the service. The lessons were read by Rev. B. T. Waites and Rev. W. E. Faust. Prayer was made by Dr. S. L. Dobbs. Short addresses were given by Dr. B. B. Glasgow, Dr. Robert Echols, Bishop James Cannon and L. C. Branscomb. Delegations were present from Athens, Anniston and other churches that had been served by Dr. Simpson. The Knights Templars gave an escort. The music was furnished by the Junior Church Choir. The body sleeps among the pioneers of Birmingham in Oak Hill Cemetery.

His two sisters, one brother, Rev. W. K. Simpson, his son, Dr. John Simpson, of New York, his daughter, Mrs. Hortense Richardson, of Athens, and his devoted wife survive him.

John Simpson was not a hireling. He was as free from the air and spirit of the mere professional as any man living. He was in the work because he loved the souls of men and because God had called him to shepherd the flock. His big loving heart went out in honest compassion to all who were in trouble. He loved his people and they loved him. Under his spiritual guidance there were transformations of life and character that were almost miraculous.

I have never known a man freer from self seeking than was Brother Simpson. He was always glad to see his friends promoted. If in any legitimate way, without doing an injustice to others, he could aid a friend he was glad to do it. But as for pushing himself to the front, he never did it. Had he been a little more insistent on what he might have called his rights, a little more aggressive in advertising his ability, it is possible the church outside of Alabama would have known him as did his brethren. If so, he

would have been called to greater honors in the church, for his brethren believed that he had all the necessary qualifications for the making of a worthy bishop.

Dr. Simpson was absolutely loyal to Methodism and its economy. It mattered not what position was assigned him, he took it without a word and gave himself unreservedly to the task. But no one ever heard him complain. He took his appointments as from the Lord and left nothing undone to build up the Kingdom.

He was probably the best all-round man in the North Alabama Conference. He proved this by doing and doing well nearly everything the church has for a man to do. On mission, circuit and station he did the Lord's work as if the pastorate was indeed his divine mission. As presiding elder he served the Florence, Decatur, Tuscaloosa and Birmingham districts. These districts flourished under his administration. For years he served as chairman of the Conference Board of Missions. Here he did great good to the cause. He also rendered a most valuable service by his work on the Board of Education, as a trustee of the Birmingham College and as one of the commissioners representing North Alabama in the consolidation of Birmingham College and Southern University. While in Tuscaloosa, he was made president of the Tuscaloosa Female College and in that position he inspired and trained a host of Christian women whose lives are now a blessing to the homes and churches of this Southland. When McCoy was taken from the Birmingham College and made a Bishop, Dr. Simpson was chosen as president of the school. What a father he became to the young men of that institution. No boy ever came to him desiring to enter that school who was turned away. At great sacrifice to himself he would find some plan to put and keep him in college. The North Alabama Conference has sent him to the General Conference for the last several sessions. His brethren considered him the best informed man among them when it came to the laws of the church and no man has more worthily represented us in the supreme councils of our denomination.

Dr. Simpson was always and everywhere successful in his work. But in no position has he ever done better work than in his Woodlawn pastorate. During his two and a half years there he has received hundreds of people into the church until the Woodlawn congregation is numerically second only to the great First Church of Birmingham. When the Centenary campaign came on, his church rallied to his leadership and subscribed thousands of dollars more than its quota. When the Education Movement was inaugurated, the task was more difficult; but Dr. Simpson said, "God will help us to do it." To raise \$27,500 under all the conditions facing him was a herculean undertaking. But his people so loved him and so loved his Lord that they followed him to victory. Some say this heavy burden hastened his departure. Possibly so. But he was not the man to shirk duty even if the performance of that duty meant death. He had worked and prayed and sacrificed too long for Christian Education in Alabama to fail in the supreme test. He lived to see his congregation triumph in this glorious task. After all it was a good time to go! Heaven and earth unite in saying, "Well done!"

I shall not invade the holy sanctity of his home with an attempt to say what he meant to the noble little woman who through the years has been the keeper of his heart and house; nor shall I try to tell what he was as a father to his daughter, Hortense; his son, John. His was a Christian home. Christ was an abiding guest in his family circle. That home is broken, but it is not desolate. The "Unseen Guest" is still there and whispers, "In my Father's House are many mansions," and the inmates of that home look up and the light of that city which hath foundations illuminates the shadow and they are comforted.
